

A Little Bit of Rain

Written with children from Littlemoor Children's Centre and School, Askern

To be read aloud by two groups of children, one reading the 'good things' about a little rain, and one the [indented] 'bad things' about too much. The school name makes a secret appearance, too!

A little bit of rain
Is good, you know
It makes the plants
And flowers grow.

A little more rain
We need our wellies
Or we stay in
And watch our tellies!

A little bit of rain
Is good, I think
To clean our teeth
And have a drink

A little more rain
Fills up the gutter
Hear it gurgle!
Hear it splutter!

A little bit of rain
Brings worms and slugs
Ducks can dive
For weeds and bugs!

A little more rain
Can make a flood
Bursts the banks
And spreads the mud!

A little bit of rain
Can make you sigh
But look... a rainbow
In the sky!

A little more rain
Makes skies all dark
And it can flood
Our school car park!

A little bit of rain
Gives cars a wash
And we can step
In puddles – splosh!

A little more rain
Spoils all the peas
Pass me a big
Umbrella, please!

A little bit of time
To the end of term
Just think of the things
That we have learned!

Rain or shine, here's where we come
Brought by Dad or brought by Mum
Coming here is really cool
So shout hooray for Littlemoor School!
